REQUESTS FOR SHIPPING ESTIMATES

While final transportation charges are calculated at the time the order is prepared, it is possible to get a shipping cost estimate in advance.

Please complete the required information below and submit the form to transportation@technicontact.com.

Bill of materials
Shipping address

Location Type	Residential	Commercial
Loading dock available	Yes	No (If no loading dock is available, a liftgate is required)
Tailgate / Liftgate required	Yes	No (If the recipient declines a lift gate, an employee must be available to assist the driver – hand bomb)
Hand bomb	Yes	No
Appointment required	Yes	No
Inside Delivery	Yes	No
Show/Event location	Yes	No
Construction site	Yes	No
Remote access	Yes	No

Failure to include all required information may result in the generation of an inaccurate shipping quote.

Please note: shipping estimates are not a guarantee of the final amount to be invoiced to the client.
